

forbidden during the quarantine season of any year, except by Special Permit from the State Health Officer.

**RULE 32.** Disinfectant and Transportation. Forbidding in Certain Cases. The disinfectant or transportation of the bodies of those having died from the diseases mentioned in Rule 30 is absolutely prohibited, except by permission of the State Board of Health.

**RULE 33.** Method of Transportation. All bodies prepared for transportation must be placed in an air tight zinc, tin, copper or lead lined coffin, or in an air tight casket hermetically sealed, (soldered) and all enclosed in a strong, tight wooden box. A certificate from the attending physician, setting forth the date and cause of death, and a certificate from the Agent of the State Board of Health, or other State Health authority, granting permission for the removal, and showing name of the deceased, age, place of death, cause of death, the point to which it is to be shipped, and the name of the medical attendant, must also in all cases accompany the casket containing the remains.

**RULE 29.** Exhumations and Removals. No human remains shall be disinterred or removed from any place of interment in this State, or brought into or carried through this State for burial, without permission of the State Board of Health.

**RULE 30.** Burial of Bodies. Persons dying from Diphtheria, Scarlet Fever, Smallpox, Asiatic Cholera, Leprosy, Typhus Fever, Yellow Fever, or other infectious or contagious diseases, shall be buried or cremated within six (6) hours from the time of death. Persons dying from all other diseases except the foregoing, shall be interred or cremated within twenty-four (24) hours from the time of death during the quarantine season, as specified in Rule 65, and within forty-eight (48) hours at all other seasons of the year, unless properly embalmed, and if so embalmed, no body shall be held for interment or transportation for a period longer than seven days from death.

**RULE 31.** Time of Exhumation. The disinfectment of bodies for transportation to other points, or for removal from one grave to another grave in the same cemetery, is
